CAREER SERVICES
CAMPUS PROFILE

OP JINDAL UNIVERSITY
At OP Jindal University we make sure that our students are industry ready. They learn-by-doing, have access to faculty with global experience, benefit from advanced learning infrastructure, and are supported by a strong career support programme.

**Vision**
To become globally renowned engineering educational institution capable of creating excellent talent pool of technopreneurs empowered with leadership and professional ethics.

**Mission**
To nurture young minds by imparting value based, innovation driven, industry linked education and training for evolving analytical and professional skills towards achieving sustainable development of society.
From Chairman’s Desk...

“Pursuit of knowledge through experience is the cornerstone of O. P. Jindal University. We aim to build an institution where students learn by doing, where real world challenges find practical solutions and innovation happens not by chance, but by design.

“It is an attempt to make world class education accessible to deserving students both in metros and in smaller towns of India. Through its modern infrastructure, multi-disciplinary programmes and enriching campus life - the university will create the best leaders not only for India but also for the world.”
Supported by one of India’s most dynamic business groups

O. P. JINDAL GROUP

O. P. Jindal Group is one of India’s most dynamic business groups employing 50,000 people with manufacturing facilities across US, UK, India, Middle East, Indonesia and Australia. The group’s motto has been ‘growth with a social conscience’. At the heart of the group’s strategy is its commitment to sustainable development.

O. P. Jindal University has been established under the aegis of the Jindal Education and Welfare Society.

Other higher education initiatives of the society include O. P. Jindal Global University, O. P. Jindal Community College (OPJCC) and Jindal Institute of Power Technology.

The close proximity of the Group’s operations provides the students of the School of Engineering with unique access to real-life projects and mentorship of senior professionals.
Leadership Team

**Dr B K Sthapak**  
Chancellor  
MTech and Ph D, University of Roorkee.

Dr Sthapak was Vice Chancellor of the Swami Vivekanand Technical University, Chhattisgarh, governing more than 50 affiliated engineering colleges in the state. He has served as Principal of several Engineering Colleges in Madhya Pradesh and retired from the post of Director of Technical Education, Government of Madhya Pradesh. He is a recipient of the Khosla Research award and Lifetime Achievement Award, Chhattisgarh Council of Science of Technology.

**Dr Prabhu Aggarwal**  
Vice Chancellor  
B Tech, IIT Kanpur; MBA and Ph D, University of Washington.

A highly respected academician, Dr Prabhu previously served as faculty and Dean at leading institutions including College of William and Mary, USA; University of Washington, USA; and Brazilian Business School, Brazil. He is an active consultant and researcher with publications on operations in the world's top journals. He was the Founding Director, Jindal Institute of Leadership Development, and Associate Dean and Professor at OP Jindal Global University, Haryana.

**Dr Pramath Raj Sinha**  
Member, Academic Council  
B Tech, IIT Kanpur; MSE and Ph D, University of Pennsylvania.

Dr Sinha helped set up and served as the Founding Dean of the Indian School of Business (ISB). He is a founding trustee of Ashoka University and serves on the review committee of IIT Kanpur. He has worked with McKinsey and led the ABP Group, one of India's most diversified media conglomerates.

**Dr R D Patidar**  
Registrar  
B Tech, GEC Rewa; ME, SGSITS Indore; Ph D, IIT Roorkee.

A recipient of several scholarships and awards such as the MHRD Scholarship, the Gold Medal at ME Level, the best paper award at the IEEE conference and the best teacher award. He worked as a Director, OP Jindal Institute of Technology (OPJIT), Raigarh, prior to Registrar, OPJU. Earlier he was Dean Academics and Officiating Director at MIT, Mandsaur (MP). He is having more than 20 years of experience in academia, industry and administration.

**Dr Kamal K Mehta**  
Dean School of Engineering  
B Tech, KIT Ramtek, Nagpur; M Tech, NIT Raipur; Ph D, CSVTU Bhilai.

Dr Kamal K Mehta received his Bachelor of Engineering from Kavikulguru Institute of Technology Ramtek Nagpur (1994) and M Tech Honors from National Institute of Technology Raipur. He received his Ph D in Computer Science and Engineering from the Technical University of Chhattisgarh in 2012.

Dr Mehta has published extensively in journals and refereed conference proceedings. His research area includes Design of Low Power Circuits, Bus Encoding Technique, Bio metric based Information Encryption, Development of Parallel and Distributed Algorithms, etc.

Dr Mehta is the recipient of "Engineering Achievement Award 2012" by Institution of India Bhilai Chapter on December 2012.

Creating a new benchmark in quality education

School of Engineering

The School of Engineering offering six undergraduate and five postgraduate programmes. The school have experienced faculty, well equipped laboratories and provide project based learning.

**B Tech Programme**

The course requirement for the engineering B Tech degree has been designed to address the diversity of specializations and the globally competitive landscape of education.

**M Tech Programme**

The various M Tech programmes offered by the University uniformly maintains the basic structure and philosophy of the post-graduate education in engineering & technology. All these programmes have three basic components: course work, series of research seminars and internship/industrial training.

**Ph D Programme**

Beginning with the 2017-18 academic year, SoE will offer Ph D in all branches of engineering. With an emphasis on applier research work, the Ph D program will prepare candidates for careers in higher education and industrial research.
School of Management

The School of Management, OP Jindal University was launched in 2015 and has been offering short-term courses in areas of leadership development, operations and supply chain management, finance and strategy to working professionals and senior executives through its Management Development Programme wing. The School also draws on the rich legacy of highly acclaimed schools of law, liberal arts and management established at our sister institution - OP Jindal Global University in the National Capital Region in 2009.

Bachelor in Business Administration (BBA)

The BBA programme is a three year full-time course, intended as the first degree which helps students develop a well-rounded skill set to enter the world of business. Students study a diverse set of subjects covering the fundamentals of business management and gain an understanding of major areas of global business. With this foundation, students are well positioned to go for further specialisation in disciplines such as Finance, Marketing & Sales, Analytics, Operations or pursue a more general management oriented path at work or study. Specially designed elective courses will help students who wish to join family businesses.

Master of Business Administration (MBA)

The MBA degree programme is a two year full-time course for students with a prior graduate degree in any discipline. The programme goes beyond helping students imbibe the principles of general management, where most MBA programs end, to developing personal and professional leadership capabilities aimed at achieving one's full potential. The programme takes advantage of the unique access and situation of the University, offering one of the strongest foundations in the area of operations encompassing supply chain and logistics, manufacturing and design. The programme is closely aligned with industry requirements especially in areas of finance, marketing and sales and will provide students a unique opportunity to intern in organisations and gain real experience even before they complete the course.
At OPJU, students experience world class infrastructure that is unparalleled in the region. We ensure students enjoy their learning experience. Salient features of our infrastructure are:-

- Lush green campus.
- Live classrooms and tele-presence to enable faculty from national/ international premium institutions to engage OPJU students.
- Digital library and online lecture resources accessible to students anywhere and anytime.
- More than 30 advanced laboratories including 3-D virtual labs in metallurgy, machine and mechanical simulation, robotics, app development, wind tunnel etc.,
- Five Centres of Excellence to nurture innovation, research and entrepreneurship among students.
- Multipurpose Auditorium and Amphi Theater.
- Modern gym & aerobic classes to keep the students fit and healthy.
- 24x7 medical facility.
- ATM facility within the campus
- Separate residential facility for men & women
Career Services Office

Career Services Office is an integral part of O P. Jindal University. Activities of Career Services Office are largely categorized into three domains, namely,

**Training and Placement Department**
Students undergo structured training programs to ensure they get their dream job and excel in their professional career. Companies of repute hold their campus drive at the university every year.

**Center for Higher Studies**
Fosters a network among universities, institutions abroad and imparts higher education and collaborative study programs.

**Center for Entrepreneurship**
Facilitates the students in bringing out innovation and empowers them to start their own ventures. It also support students to participate in government sponsored skill development projects.

The ultimate objective of CSO is to ensure that the students are industry ready and build career as per their aspirations.

The office is strengthened by team of professionals who have strong experience of working with the student fraternity and corporate connect.
Mock Interviews

The Mock Interviews are arranged by career services department for 7th Semester students by technical and HR representatives from JSPL and its group companies, SSD-Punjipathra, NSPL (NALWA), JPL-Tamnar, DCPP Dongamahua, JIPT.

The support of various Jindal Group located in the vicinity of OPJU helps in inculcating the right spirit and skills in the budding technocrats which gives a substantial, differential and competitive advantage over any other conventional engineering colleges. OPJIT gets the leverage of Jindal Group Companies through guest lectures, workshops, Industrial Training, Problem and Project based learning, Mock Interviews and exposure to the live projects going in its surrounding.

Greetings from OP Jindal University.

We are sure the information provided here would give you essence of OPJU.

We would be keen to have you at our campus for placement drive. Besides, we would also like to associate with you for summer internships, guest lectures, laboratory mentorships, technical workshops, joint R&D projects and TBA (Task Based Assignments).

We request you to share your contact coordinates on below mentioned email address.

Email: careerservices@opju.ac.in
For more information, do reach us at 07762-304000 or visit www.opju.ac.in

Looking forward to hear from you.

Warm Regards
