About OP Jindal University

Founded by the Jindal Education and Welfare Society, OP Jindal University was set up to bring high quality education to its students based on a world class curriculum, the latest teaching methodology and committed faculty members. Known as the University of Steel Technology and Management, OP Jindal University is the only University in India which aims to cater the need of Steel and Power Industries. Supported by Jindal Steel and Power, this multidisciplinary University aims to develop entrepreneurs and future leaders who can work at multiple levels of responsibilities globally. With its continuous efforts and dedication, OP Jindal University has been graced with many awards like Emerging University of India, India's Most Trusted Technical University, Secured 6th rank Amongst India's Cleanest Higher Education Institutions and Best Industry Linked Emerging Engineering Institute at 10th AICTE-CII Award.

About the School of Management

School of Management, OPJU offers a multidisciplinary world-class business education to foster academic excellence through industry linked curriculum, experienced faculty members, industry partnerships and global collaborations. We endeavour to make an impact through our programmes, research & consulting, corporate education and training.

About the Conference

The 5th International Conference on Role of Innovation, Entrepreneurship and Management for Sustainable Development aims to bring together academicians, researchers, industry experts and students to exchange and share their experiences and research results on all aspects of Innovation, Entrepreneurship, Management and Information Technologies. This conference will provide a premier interdisciplinary platform to all the participants to present and discuss the most recent innovations, trends and concerns in the fields of Innovation, Entrepreneurship, Management and Information Technology.

Conference Objectives

- A networking platform for researchers and practitioners to exchange research experience and ideas on business sustainability and innovation in the digital era.
- To promote joint efforts to create a sustainable and innovative business marketplace.
- To enable participants to establish international collaborative research.
- To evaluate academic and practice-based Knowledge related to business sustainability and innovation.

Call for Papers

Prospective authors are encouraged to contribute to and help shape the conference through submissions of their research abstracts and papers. High quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Innovation, Entrepreneurship and Management are invited for presentation at the conference. The conference solicits contributions of abstracts and papers that address themes and topics of the conference.

Key Highlights

- Selected papers will be published in reputed journals (ABDC, Scopus, WoS and UGC Care)
- Opportunity to get published in special issue of OPJU Business Review
- Abstract shall be considered for conference souvenir
- Pre-conference workshop & Keynote speeches from renowned researchers and academicians
- Best Paper Awards in each technical sessions of the conference.
- Separate technical session for student's category and best paper awards also provided.

All selected papers will undergo the peer-review process of journals and publication is subject to clearing this process.
