

NAAC Accreditation Report.

A presentation on NAAC Accreditation was organised on 25th January 2019 at the live classroom of OP Jindal University, Raigarh at 4.00 pm.

All faculty members from School of Engineering (SoE), Science(SoS) and Management (SoM) were invited and a list of faculty attended is attached herewith.

Dr Girish Mishra, Controller of Examination addressed everyone with his presentation on NAAC accreditation. The idea was to **educate faculty members** on NAAC accreditation guidelines, documents required, their importance and total marks assigned to each criteria.

He explained that with **team effort this venture could be achieved smoothly** and requested everyone to participate **diligently** in this whole process with **extreme ownership**.

He explained that **achieving a decent grade is not difficult** at all if we follow the criteria accordingly and start **practicing documentation of each and every event**.

Faculty members also asked several questions to clarify their doubts.

There will be a meeting following this during next week which will be based on providing further information on the NAAC accreditation process which will not only benefit faculty members but will also provide a lot of support in their NAAC progress work.

The meeting ended with vote of thanks by **Dr Nayak, Associate Dean SoM**.

Faculty members who could not attend due to prior commitments would be **encouraged** to attend the next meeting.
