

Report on Women in the field of Sustainability

On 19th April' 2024, Internal Complaint Committee (ICC) jointly with Internal Quality Assurance Cell(IQAC), OP Jindal University organized a seminar on Women in the field of Sustainability for female faculty, staff and students. The objective of the workshop to contribute to advancing knowledge and promoting research by fostering interdisciplinary debates on gender inequality. By this workshop

1. to equip participants with the current status of environmental issues and the role of the society and especially the women in ensuring environmental sustainability.
2. to highlight the roles being played by the various non-state actors and relentless crusaders working as pressure groups for protecting and safeguarding the environment.
3. to suggest necessary measures for making 'environmental protection and sustainability' as a popular movement especially involving pro-active participation of women as an important stakeholder especially in the context of agriculture, forestry, fisheries, animal husbandry, water bodies etc.

At the end of the program Internal Complaint Committee chairperson proposed a vote of thanks to the speaker, students, all faculties and Vice-Chancellor Dr R. D. Patidar for providing the opportunity for making the event successful. The event was hosted by Internal Complaint Committee (ICC) jointly with jointly Internal Quality Assurance Cell(IQAC), OP Jindal University.

50 participants from SOS, SOE and SOM attended the session. Resource person addressed and clarified the questions posed by the participants. Feedback from the participants was obtained at the end of the session.
