

Revised Lateral Entry Course

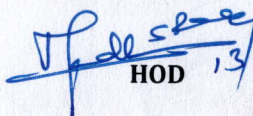

OPJU/SOP/2023/ 1

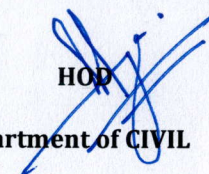

Date: 13/10/2023

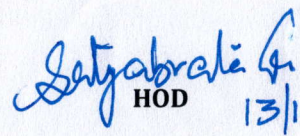

Revision of Existing Lateral Entry Bridge course subjects of School of Engineering, OP Jindal University, Raigarh as per the guideline of F. No. "AICTE/AB/SCR/Circular/ Lateral Entry/2020-21" Dated 17.09.2020.

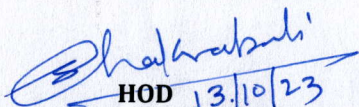

The following revisions have been done in the Lateral Entry course and agreed to implement.

1. Physics, Chemistry and Mathematics will be the bridge courses for the Lateral Entry B Tech students (Diploma Passed) and will be designed by the School of Science. If any B.Sc. passed student is admitted in B.Tech Lateral Entry then the bridge course will be different and will be designed by the concerned department as per the requirement.
2. The university shall adopt the continuous evaluation consisting of PRE (Progressive Review Exam) and ESE (End Semester Exam) for assessing the student's performance with a weightage of 50% each i.e. PRE – 50% and ESE – 50%.
3. PRE shall consist of at least three components from the following: Assignments, Unit Tests, Moodle Tests, quizzes, seminars, presentations, etc.
4. The minimum marks to pass a subject will be as follows:
PRE: 30% ESE: 30% Composite (PRE+ ESE): 40%
5. Students must clear the bridge course before entering the 5th semester otherwise he/she will be detained in the 5th semester.
6. It will be applicable from July 2023 onwards batch.
